

## **SQE1 - how the first assessment went**

15 February 2022

More than a thousand candidates sat the first ever Solicitors Qualifying Examination (SQE) assessment last November. Following the publication of their results, we want to update stakeholders on:

- how the first SQE1 assessment went
- more details on the results, such as pass marks, how candidates performed and standards setting
- some of the key themes we learnt from the assessment
- contingency planning
- next steps and SQE2
